Organized by

***Department Of Chemistry
Cooch Behar Panchanan Barma University***

In collaboration with

Indian Chemical Society, Kolkata

**Venue: University Lecture Hall, Cooch Behar Panchanan Barma
University, Cooch Behar-736 101**

Objectives of the Workshop

The objective of the workshop is to provide participants with simple yet powerful strategies, skills and knowledge that will be helpful for an enhancement of understanding towards chemistry. Lecture workshop aims towards chemistry based progressive knowledge available from eminent professors. This lecture workshop on “**Recent Development in Chemistry-2018**” will create opportunities for the students of the Under graduate (UG), Post graduate (PG), PhD scholar and faculties of colleges and universities of Cooch Behar district and other remote parts of North Bengal to gather valuable knowledge on recent development of Chemistry in an out breaking way from some highly renowned Chemists of our country with international fame and reputation.

How to Apply

B.Sc & M.Sc students, PhD Scholars and Teachers/Faculties of Chemistry only from Colleges and Universities are entitled to avail themselves of the opportunity. The participants are requested to apply to the coordinator of the workshop along with proper designation within 5th September, 2018, either by email or by phone. It may specially be noted that Registration Fee (100/- for students and 200/- for teachers/faculties) is required for the participants.

How to Reach

Cooch Behar Panchanan Barma University is itself a land mark of Coochbehar Town. It is located at south side (1km) of the Coochbehar domestic airport. And 3 km away from the New Cooch Behar Railway Station. Rajbari is nearest Bus Stand (2km away). 15 - 20 minutes by Rickshaw (Toto) from any other bus Stand of the Town.
