## PLEASE CHANGE YOUR PASSWORD AFTER YOUR FIRST LOGIN

To change your default password please follow the steps –

Step 1: Go to your browser.

Step 2: Type “100.100.10.1” on your browser’s URL.

(Then you will get your user portal. Please login with your username and default password)

The screenshot shows the Sophos User Portal login interface. On the left, there is a dark blue sidebar with the Sophos logo at the top. Below the logo, there are input fields for 'Username' (containing 'john.smith') and 'Password' (masked with dots). A blue 'Login' button is positioned below the password field. At the bottom of the sidebar, it says '© 2015 Sophos Ltd.'. The main area has a blue background with the text 'User Portal' in large white letters and a faint silhouette of two people. In the top right corner, there is a language dropdown menu set to 'English'.

Step 3: After login, Goto **Personal** option then choose **Change Password** option to change your default password.

The screenshot shows the 'Change Password' page within the Sophos User Portal for user 'john.smith'. On the left is a dark blue sidebar with a menu: 'Home', 'Personal' (highlighted in blue), 'Change Password' (highlighted in dark blue), 'Personal Details', 'Download Client', 'Internet Usage', 'Quarantine Mails', and 'Logout'. The main content area has a light gray header with 'User Portal for john.smith' and a help icon. Below the header, the title 'Change Password' is displayed. There are three input fields: 'Username' (pre-filled with 'john.smith'), 'Current-Password \*' (masked with dots), and 'New-Password \*' (two rows, both masked with dots). A blue 'Save' button is at the bottom, enclosed in a red rectangular box.

**\*IN CASE THE CANDIDATE FORGETS / LOSSES HIS /HER PASSWORD PLEASE CONTACT THE TECHNICAL ASSISTANT FOR FURTHER ASSISTANCE**
