About the Department of Geography

The Department of Geography was established in 2013. Since then, the department has acquired distinction in teaching and research as well as for dissemination of geographical knowledge both at the state and national level. The department offers M.Sc. and Ph.D. in Geography. Presently, there are about 80 students in the department studying at the postgraduate level and more than 10 students pursuing their Ph.D. The thrust areas of the department are Fluvial Geomorphology, Regional Development, Urban Geography, Environmental Studies, Agricultural Geography, Population Geography, Gender Geography, Social Geography, Transport Geography and Urban Environment.

Aims of the workshop

The main objective of this workshop is to address challenges and opportunities in the field of Geographical research, and to help researchers to conduct research in an accurate and meaningful way. Numerous software products have been developed and SPSS is one of the most popular software used by the researchers widely. It enables academicians and researchers to obtain valuable information from the data. Basic knowledge of SPSS is vital for all users before they proceed to surveys and data analyses. In this way, this seven days workshop with the help of the expertise of faculty members of Indian Statistical Institute (ISI), Kolkata will be helpful for the beginners who are associated with research with little or no experience in SPSS.

Who should attend the Workshop?

Research scholars, faculty members of educational institutions particularly colleges and university can take part in this workshop by paying requisite registration fee. In case of selection, the research scholars of the university and faculty members of its affiliated colleges will get preference. In case of other candidates, preference will be given on first come first serve basis.

Registration

Applicants need to send the scanned copy of the filled in registration form to the E-mail cbpbuspss@gmail.com on or before 25.11.2018.
